OTP is not sent to a valid email during signup with email.

Key details

Description

While signing up with email, OTP is not sent to the valid email address for verification.

Steps to Reproduce:

1.Go to the EchoGPT signup page.

2.Click signup with email.

3.Enter valid email in the Email field.

4.Click 'Send OTP'.

Expected Result:

OTP should be sent to the valid email address for verification.

Actual Result:

OTP is not sent to the email.

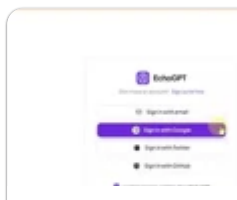

Severity

High

Environment

- Windows 10
- Google Chrome
- Web Application.

Sign up with Twitter button is not functional.

Key details

Description

Clicking on the Sign up with Twitter button to check it's functionality

Steps to Reproduce:

1.Go to the EchoGPT signup page.

2.Click ' Sign up for free'.

3.Click 'Sign up with Twitter'.

Expected Result:	The button should be clickable and upon clicking the user should be shown Twitter sign up form.

Actual Result:

Button is clickable but not functional.

Severity	High

Environment

- Windows 10
- Google Chrome
- Web Application
